

# CREATIVE LEARNING

<b>Facilitator Name</b>	Presented by Benji Leeks from Fresh Creative Entertainment
<b>Task:</b>	Making a Hula Hoop
<b>Outline:</b>	Learn beginner circus arts skills in the classroom or at home

---

## What you'll need to make the hoop:

Irrigation pipe  
Small dowel piece with matching circumference  
Super glue  
Electrical tape

### Step 1

Cut pipe to the desired size. Place small piece of dowel inside the pipe with glue.

### Step 2

Tape the 2 sections together to secure the connection.

# CREATIVE LEARNING

## Step 3

Use Electrical tape to wind around the hoop.  
Get creative using different colours.

**Congratulations! You now have your very own hula hoop!**
