To whom it may concern . . .

On behalf of Advanced Cranes there will be some works happening over the course of 1 day on Little Malop Street, Geelong

#### **The work we're doing**

<b>Where</b>	Little Malop Street between Gheringhap Street and Fenwick Street
<b>When</b>	05/03/25
<b>Hours of work</b>	7am to 7pm
<b>What we will be doing</b>	Crane lift
<b>For (duration)</b>	1 shift

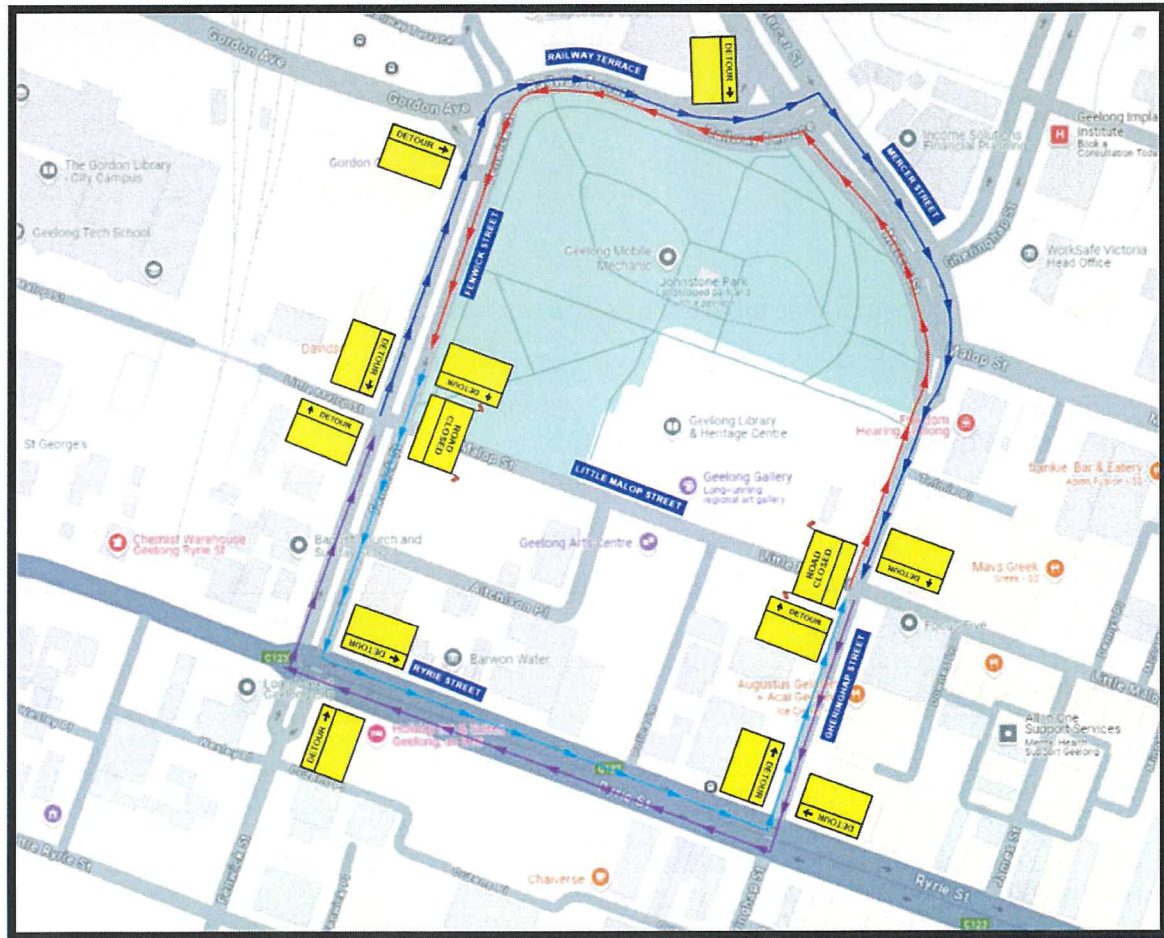

#### **How this affects you**

- We'll do our best to start the work on time. Factors such as wet weather could mean a delayed start. If the delay is significant, we'll notify you.

#### **Traffic Management and detours**

- We will need to close Little Malop Street and set up detours
- You'll need to reduce your speed when you're driving through the area. Please follow all signs, light signals and traffic directions.
- Please plan ahead and think about using another route. We'll set up signs that give traffic directions for surrounding roads.
- Parking on Little Malop Street will be limited

## Work Location Map

Thank your understanding and co-operation whilst we carry out these essential works.

Kind regards,

Rick Reilly
